SUBJECT: **CAMPS AFFLERBAUGH AND PAIGE RE-OPEN – BOIL WATER ORDER LIFTED**

This is to advise your Board that the broken water valve which compromised the water supply to Camps Afflerbaugh and Paige on March 13, 2012, has been replaced. The valve installation was completed on March 14, 2012. However, prior to reoccupying the camp, Probation worked with the Department of Public Health to ensure the water was safe and the kitchen reopening protocols were followed. On March 20, 2012, the Public Health Environmental Water Division lifted the "Boil Water Notice" that was placed on Camps Afflerbaugh/Paige water system on March 13, 2012.

As a result, the decision was made to return Camps Afflerbaugh and Paige youth to their respective camps today. The camp youth were transported by Probation's Transportation Division from Barry J. Nidorf Juvenile Hall in Sylmar to the camps. The movement of 93 Camp Afflerbaugh youth and 14 staff commenced at 7:45 a.m. and ended at 9:30 a.m. The movement of 88 Camp Paige youth and 14 staff commenced at 8:30 a.m. and ended at 1:30 p.m.
